

Doomstar Unit Guide

Distances in board tiles, 33 across. Range is measured hull to hull.

The Doomstar

Charge: at the end of your turn, each star held by a Guard, Lancer, Prism or Nova adds 1 charge.

Fire: at 4 charge, one of those ships inside the Doomstar fires instead of attacking: 2 damage to the enemy Command.

Contest: an enemy ship at close range, Scouts included, stops a star from charging and a gunner from firing.

Command

Move 0 | Range 1.5 | HP 5 | Damage 1 | Armor 1 | Size 2

Your command star. It cannot move. Lose it and you lose the battle.

Guard

Move 4.5 | Range 1.5 | HP 3 | Damage 2 | Armor 1 | Size 1.4

Armored frontline defender with extra health. Doomstar crew.

Scout

Move 9 | Range 3 | HP 2 | Damage 1 | Armor 0 | Size 0.9

Fast raider that harasses from short range and contests enemy stars. Cannot charge or fire.

Lancer

Move 6 | Range 5 | HP 2 | Damage 2 | Armor 0 | Size 1.1

Mid-range skirmisher that strikes from a distance. Doomstar crew.

Prism

Move 2.5 | Range 8 | HP 2 | Damage 2 | Armor 0 | Size 1.2

Slow beam artillery with the longest range. Ignores armor. Doomstar crew.

Nova

Move 3.5 | Range 7 | HP 2 | Damage 1 | Blast 3.5 | Size 1.2

Slow splash artillery: its blast also hits every enemy close to the target. Doomstar crew.
